STILLWATER COUNTY COVID-19 RELATED DEATHS REACHES TWELVE

January 21, 2021 – Columbus, Montana. Stillwater County reports an additional COVID-19 related death in the county, bringing our total deaths to twelve.

This individual was a female in her 80's and passed away in an out-of-county hospital.

Dr. Cody White, Stillwater County Public Health Medical Director stated, "It is heartbreaking as we continue to lose patients to this virus. As we work with the state's allocations to vaccinate against COVID-19, we must continue to do our part and continue wearing masks, washing hands, and practicing safe physical distancing. Most of all, stay home if you are not feeling well."

Public Health urges individuals to get on the list to be vaccinated against COVID-19. Please call 322-1070 and leave a message with the following information: contact name (spell it out), date of birth, and phone number. Public Health will contact individuals and coordinate scheduling as vaccine arrives and is available.

Out of respect for the family, no further details will be released.
